

# St. John's is ... A Great Place for a Complete Education

## Grade School

### Grade School Highlights

The grade school program at St. Johns (K - 5th Grade) offers a solid academic foundation for younger children while providing a secure environment for social and emotional growth and development.

High academic standards, certified teachers, hands-on learning and small teacher to student ratios ensure quality education for St. Johns students. All classes participate in community service projects during the year.

Highlights of a St. John's education include:

- Religious training on a daily basis highlighted by a weekly chapel service
- Exposure to fine arts instruction with weekly art and music classes
- Hands-on computer instruction taught in our state-of-the-art computer lab
- Computer skills and learning encouraged daily within the classroom
- Spanish instruction begins in 3rd grade and continues through 8th grade
- Physical Education classes, focusing on strength, conditioning, confidence and good sportsmanship, held twice weekly in the full-size gymnasium
- Sports Team Participation - Children learn valuable teamwork skills, gain self confidence and have fun.

### Activities at a glance include:

- Music, theater and art instruction
- Spanish instruction
- Athletic Programs – soccer, cheerleading, volleyball, and basketball
- Weekly chapel service
- Educational field trips to places such as Charleston, SC and Washington, DC
- Musical and theatrical performances several times during the year —
- The Partner Mentoring Program
- **Superior high school preparation**
- Community service projects
