Middle School

Middle School Highlights

The Middle School program promotes intellectual growth through core academic instruction and spiritual growth with continuing Lutheran-based training.

- Math enrichment classes including algebra available to challenge students with a higher degree of learning
- Instruction in art, music, Spanish, Physical Education and computer classes broaden their learning opportunities
- Classroom learning enriched with field trips to places such as Charleston, SC and Washington, DC
- Students are ready for high school both academically and spiritually.

Middle School students are expected to be respectful, socially responsible and kind. They act as partners for children in the younger grades and take part in many community service projects. They also perform first-rate theatre-quality productions each spring under the direction of experienced teachers and staff.
