

Checklist for Application to St. John's Lutheran

Either during your tour of St. John's or afterward, parents of applicants for Preschool (3-year-olds), and Transitional Kindergarten (4- & 5-year-olds) submit an application. Numerous other forms are required as part of the application process and before acceptance to St. John's. After the tour/interview is completed and all forms are submitted, St. John's administration will review your application and will notify parents of acceptance, denial, or waiting list status.

Each item must be completed and submitted to the school office before the application will be considered complete.

No student will be allowed to start school until all forms are in students file. All students must be immunized.

We do not except Religious Exemption.
