Good afternoon, Falcon Families!

My name is Tiffany Banks and I am the new Principal at St. John's!

I am so excited to be here with all of you and I cannot wait to get to know you better. I will be hosting "Principal in the Park" (see the attached flyer for information) to be able to meet with you and have some time together. I hope to see you there.

Here is a little bit about myself:

I attended multiple Lutheran Schools growing up. My mom is a called worker, and we moved every 5-7 years wherever the Lord called her. I have been working in education since I was 15 years old. I worked at a charter school for the last 8 years, where I started as a paraprofessional and then moved on to teach 2nd grade that same year. I stayed in that classroom for one more year. The following year, I moved into administration and was the Assistant Principal at a campus with over 680 students (K-5) and over 25 teachers. I oversaw Special Education, Read by Grade 3, and all Academic Activities across both school's campuses (2400+ students, K-12). I hold two bachelor's degrees, one in accounting and one in Special Education/Elementary Education and I recently finished my Master's in Educational Leadership at the end of May.

In my free time, I love to spend time with my husband (Scott) and son (Jace, 8yrs.) out exploring in nature. I enjoy watching movies and reading books. I also love all food and enjoy spending time in the kitchen (except the dishes, I do not really like that part).

I look forward to learning more about each of you and working together to grow and nurture your children and further the mission of St. John's.

Please feel free to reach out with any questions or concerns.

God's Blessings,
Tiffany Banks
