Happy Turkey Month!

We had a great October! We had picture day, Parent Teacher Conferences, practiced different safety drills, and enjoyed fall break. We closed out our first quarter with a half day of school. We survived Mr. Cat and Mrs. Louisa being out (We missed them so much!) and we had an awesome time at Trunk or Treat. Big thanks to the Winston Salem Police Department for helping with traffic and parking!

We have started identifying something that we are grateful for during morning announcements. It is a great time to reflect on all the good things that God provides for us. He is ever faithful. The classes will be decorating their doors during the month of November following the theme "We are grateful." The PTO will be coming by at the end of the month to judge the doors and the winning classes will receive a prize.

Field trips are upon us. Please be on the look-out for Permission Slips for your children. Also, if you are planning to go on the field trips you will need a Parent Permission Slip. Parents who want to drive on the field trip, please stop by the office to drop off a copy of your license and insurance. We are so excited to get out into the community to learn more the world that God has given to us.

Operation Christmas Child is here. Please prayerfully consider donating approved items (see attached flyer) or monetary donations to support children in need this Christmas Season. Donations can be placed in the white bins outside the office or sent in with the students. We would love to be able to create 100 shoeboxes full of wonderful things. Last year we were able to beat that goal and I know we can this year too. Please contact the office if you have any questions.

Heavenly Father,

Thank you for St. John's and for the teachers, staff, families, and students that make this such a wonderful place. Thank you for the reminders that we have so much to be thankful for. Bless our efforts as we work to fill 100 shoeboxes through Operation Christmas Child. Help us in fulfilling our mission of getting one more person to heaven by showing them Jesus. Lord, bless these children and their families this holiday season. Keep them safe and remind them they are loved by you always.

In your name,
Amen

"Train a child in the way he should go, and when he is old, he will not turn from it."
