

JANUARY 2023-2024

Hot lunch is prepaid and can be ordered through FACTS family portal. There will be no option for 'DAY OF' lunch.

If your child does not have a packed lunch and is not marked down for hot lunch on that day. We will call home to provide them a lunch. Lunch is charged as soon as it's ordered. If you wish to bring lunch money to institution, wait for payment to be applied to the FACTS account, and then go in to order your child's lunch for the month. You may do that too.

We will have a cutoff date for when you must order lunch by to ensure we can have all the products necessary to create lunch.

Please contact the front office for any issues!
